**INTERSHIP LETTERS****DEPARTMENT OF COMPUTER SCIENCE****REPORT ON INTERSHIP IN WIPRO AT GUINDY**

This report is based on Internship in Wipro at Guindy office, from 28th November 2018 till 31st January 2019. This Internship was under Human Resource (HR) team. The main aim of the HR team is to recruit the people; it is fully based on selecting the Right Person for the Right Job. The process will be start from registration till placing the candidates at their skilled post and department. It is based on documentation i.e. over viewing the information and documents which was uploaded and presented by the candidates who are attending interview and doing back ground verification (BGV), then details will be provided for doing national skill registration (NSR) which should be registered by every IT employee. On the time of internship I gained filled knowledge about this registration and verification skills. This internship provided way for how to move and handle yen number of candidates at the same time, learned about the time management, job priority practically. Internship at Wipro has turned some of the theoretical knowledge into practical knowledge. This platform helped to learn about company's environment and gained experience. It provided full freedom to learn and gain more knowledge. Employers were moved in a friendly manner they were free to teach and help us (interns). Wipro is keen about company and candidates safety. This internship helped to move forward by proving and implement the, in took knowledge regarding company surroundings and environment in the future companies.

**REPORT ON INTERNSHIP IN SRI RAMACHANDRA INSTITUTE OF HIGHER EDUCATION AND RESEARCH, PORUR, CHENNAI**

The Department of Bioinformatics conducted an Internship in “Medical Bio informatics” as a Social Responsibility Initiative on 29th January 2019.

SRI RAMACHANDRA INSTITUTE OF HIGHER EDUCATION AND RESEARCH – A Review

Sri Ramachandra Institute of Higher Education and Research (Deemed to be University) (Formerly known as Sri Ramachandra University) Accredited by NAAC with ‘A’ Grade (CGPA 3.62 on a 4 point scale) 10th Rank among Medical College by MHRD

MEDICAL BIOINFORMATICS:

As a Contribution to the society, The Department of Bioinformatics organized Internship programs to create awareness about Bioinformatics amongst UG students from various colleges across Tamil Nadu as part of social responsibility initiative.

INTRODUCTION:

Bioinformatics program focuses on developing methods and software tools for understanding large biological data. It is an interdisciplinary field of science that combines computer science , statistics, mathematics and engineering to analyze and interpret biological information.

Genome-wide association studies are a useful approach to pinpoint the mutations responsible for such complex diseases.

Bioinformatics will equip with the knowledge and skills to tackle real-world life science problems from an informatics and computational perspective.

SCOPE:

The field of Bioinformatics deals with standards pertaining to biomedical sciences and one can become a highly skilled analyst in Biological data, Informatics and Computation Programming.
