

MENTOR MENTEE DETAILS***2018-19***

The College implements the 'Mentoring and Counselling' of students through the Patrician Mentoring and Counselling Cell (PMCC). Every semester, two sessions are assigned for mentoring. The Mentor meets the Mentees on these days and discusses issues connected to their academic, personal and career prospects. Every staff member is entrusted with this duty of mentoring and guiding the students. The PMCC committee monitors and supports the mentoring system.

A handwritten signature in black ink, which appears to read "Dr. Joseph Durai", is positioned above the printed name.
